

SAFETY

MONDAY

THE IMPORTANCE OF GOOD HOUSEKEEPING IN THE WORK ENVIRONMENT IS VITAL TO ENSURE EVERYONE'S HEALTH AND SAFETY.

By conducting daily inspections and spot checks of the work area can ensure the following:

- ✓ Reduces the risk of slips; trips or falls.
- ✓ Hazards which could cause a fire or spill are identified and can be corrected.
- ✓ Improves work efficiency as tools, equipment and other items are in the proper place.
- ✓ Work areas, such as breakrooms, are in a sanitary condition, which reduces the possibility of health issues and the spread of germs, etc.
- ✓ In the event of an emergency, Workers are able to exit the facility safely.

Maintaining a safe and hazard free environment is achievable when you work as a team; have programs and procedures in place and you inspect what you expect.

Clean and organized facilities illustrates a sense of pride; improves employee morale and is an indication of the commitment to safety for all those that may work or visit the work place.
