

The Detachable Container Association
with the NWRA Women's Council
are pleased to announce a scholarship in honor of

*Mickey & Ellen
Flood*

to benefit NWRA
Member Company Employees
and their dependents.

Mickey's passion was education. Thus, the DCA Board of Directors chose to establish a scholarship to memorialize his numerous contributions to our industry. It is named to honor both Mickey and Ellen as co-founder of the Women's Council of the NWRA.

THIS SCHOLARSHIP is made possible by your generous donations to the scholarship fund within the DCA—a non-profit 501(c)(3) organization—which will support scholarships in the name of Mickey and Ellen Flood to be granted annually by the Women's Council. The DCA Board of Directors will provide a **100% MATCHING GIFT for the first donations received up to \$25,000.**

To make your contribution to this scholarship, you may send a check directly to the Detachable Container Association, request ACH information or use the banking app ZELLE for instant transfer.*
