

SAFETY**MONDAY**

Dear Santa,

My neighbor's dad was killed in a crash while coming home from work. Sam is my same age, and we play together all the time. Sam and his mom don't stop crying. All I want for Christmas is that my parents buckle up all the time, drive at safe speeds and avoid distractions while driving. When raining or snowing, I hope they will adjust for the road conditions, especially if we are in the car. I want to kiss them and hug them after coming from work.

Please listen to your safety meetings and drive home safely.

*With love,
Elvia*
