

Hazard Recognition On The Road

Impaired & distracted driving incidents continue to rise across the country. Utilizing defensive driving tactics will help ensure our front-line employees stay safe each day!

Use the 5 Keys of Smith Systems to detect & react to all the types of hazards that roadways present.

- ✓ **Aim High in Steering**
 - *Look further ahead to get information*
- ✓ **Get the Big Picture**
 - *Get 360° circle of awareness*
- ✓ **Keep Your Eyes Moving**
 - *Scanning keeps you alert*
- ✓ **Leave Yourself an Out**
 - *Give yourself time and space*
- ✓ **Make Sure They See Your**
 - *Use warning devices to get their attention*

***“Awareness buys time,
and time buys options.”***
