

# GATEHOUSE PURCHASING IS NOW THE OFFICIAL ENDORSED PARTNER FOR TIRES OF THE NATIONAL WASTE AND RECYCLING ASSOCIATION (NWRA)

***UNLOCK EXCLUSIVE NATIONAL ACCOUNT TIRE PRICING FROM TOP-TIER MANUFACTURERS***

## A Game-Changing Partnership For NWRA Members

Gatehouse Purchasing is proud to be named the official Endorsed Partner for tires of the NWRA, giving qualifying members\* exclusive access to National Account pricing with a select group of the most respected, globally recognized OEM tire brands in the industry.

These manufacturers are known for their performance, reliability, and presence across top-tier fleets making this program a strategic advantage for haulers looking to reduce their operational expenditures and enhance their overall productivity.

## Who Qualifies For Endorsed Partner Program Pricing?

- Must be a current NWRA member in good standing with the Association.
- Must not be concurrently enrolled as a Gatehouse Purchasing member.

Additional qualifications may apply based on:

- Existing National Account relationships with tire brands or dealers
- All eligibility will be verified by Gatehouse during due diligence

## How the Endorsed Partner Program Works

Gatehouse serves as the conduit between qualified haulers and globally recognized tire manufacturers, leveraging the network's collective buying power to offer pre-negotiated National Account pricing. This ensures best in class pricing advantages typically reserved for large national fleets.
