✓ **AUTHORIZATION**

Members of the National Waste & Recycling Association must provide prior approval before the NWRA PAC can solicit that member's restricted class executive personnel for the NWRA PAC. Granting this approval does not obligate you or anyone in your company to contribute.

The National Waste & Recycling Association is required by federal law to obtain written approval from NWRA's member companies before discussing potential support for NWRA PAC with their executive and administrative (those with decision-making authority) personnel, shareholders, and the immediate families of all these groups (collectively known as the "**restricted class**"); *hourly employees are specifically exempt from solicitation*. Corporations may not approve solicitations by more than one trade association for the same calendar year. We ask that you please take a moment now to fill out this form and return it to NWRA at the address provided below. ***Signing this form does not constitute a financial obligation or commitment.***

Please return completed form to:
